Testimonial:

"My husband and I celebrated our wedding at St James's Hotel and Club recently. We had such a wonderful day and wanted to extend our sincere thanks to the hotel team for making us feel so welcome and for ensuring that our day was special, ran seamlessly and was simply perfect.

Nothing was too much trouble and our every requirement was met with exacting efficiency. The service we received in every area of the hotel was simply wonderful and the entire team are a credit to the company. Our lunch was absolutely delicious and the chef and his team catered wonderfully for our group, one of whom had special dietary requirements. As you can tell, I cannot express enough how impressed we were with the level of service we received from the St James's Hotel team and how wonderful our wedding day and stay was"
